Afterschool sports

We advise that due to child protection guidance, parents are respectfully asked not to come and watch after school clubs. Pupils can still be collected at the usual finishing time after school. Thanks for your support in this matter.

Electric Scooters

Due to an increase in the use of electric scooters, we are no longer able to store electric scooters in the school building. If your child wants to come to school on their scooter, an adult will need to take it home again.

School Meals

Please make sure you have applied to the education authority if you are entitled to free school meals. Even if your child takes a packed lunch it is important that you still apply as the school receives extra funding. www.eani.org.uk then select school meals/uniform grants.

Reading

All children have reading home to complete each night. We want all our children to progress with their reading and it is essential that they complete the reading set by the class teacher. Encourage your child to read as much as possible, if you don't have time to listen to them read, try and remove distractions so they can have 10-15 minutes away from other distractions such as the TV or devices. If your child is only learning to read, please make every effort to read to them every day. It really does make a huge difference in their progress.
