## Uniform

It was great seeing all our children back to school in their school uniform. Thank you for your support in keeping our children looking so smart.

If you need any items of uniform these can be purchased via the school office

## COVID Protocols

If a child is in contact with a positive case, they will have to take a PCR Covid test on day 2 and day 8 after the last contact with the positive case. The result can be sent to the class teacher through the seesaw or dojo app. The children can return to school once they have received a negative result on day 2, provided they are symptom free.

Please inform the class teacher if your child is being tested and then you can have the most up to date advice.

If you are unsure what you should do, please contact school.

## Afterschool clubs

Details of afterschool clubs will be given out in the coming weeks. Homework clubs for P4-P7 will start on 13<sup>th</sup> September - details to follow.
